Notification N°0987 Certificate N°0987/MED-D/949

## PRODUCTION QUALITY ASSURANCE (Module D)

CERTIFICATE N° 0987/MED-D/949

issued by LAPI SPA Notified Body no. 0987

Application Of:

Council Directive 2014/90/UE of 23 July 2014 On Marine Equipment (MED)  
and Regulation (EU) 2021/1158 of 23<sup>rd</sup> June 2021

Applicant/Manufacturer:

**Acciaieria Arvedi S.p.A.**

Via Acquaviva, 18 - 26100 CREMONA (CR) - Italy

Scope: Products as listed below:

Product name	Product description	ITEM	Module B
<b>ARCOATED STANDARD</b> Nom. Thickness of painting cycle: 25 µm Thickness of metallic support: ≥ 0.5 mm	Surface materials and floor coverings with low flame-spread characteristics: Painting Systems	MED/3.18b	0987/MED-B/822 Rev. 1

This is to certify that LAPI S.p.A., Notified Body no. 0987, did undertake the relevant quality assessment procedures for the equipments of the manufacturer identified above, which was found to be in compliance with the Fire Protection requirements of Marine Equipment Directive (MED) 2014/90/UE of 23<sup>rd</sup> July 2014, Regulation (EU) 2021/1158 and with the type described in the EC Type Examination Certificates (Module B) listed above and reported in the Attachment to this Certificate, subject to any conditions as described in pertinent Module B.

This Certificate authorizes the manufacturer, or his authorized representative established within the Community, in conjunction with the EC type-examination (Module B) Certificate of the equipments listed in the scope, to affix the "Mark of Conformity" (Wheelmark), as shown below, and exemplified in the Attachment.

**The manufacturer is allowed to affix the US Coast Guard approval number reported in the Attachment as allowed by the "Agreement between the European Community and the United State of America on Mutual Recognition of Certificates of Conformity for Marine Equipment" signed on 27 February 2004 and amended by Decision No.1/2018 dated 18 February 2019**

Wheelmark

0987/yy (yy being the last two digits of the year when the wheelmark is affixed)

The manufacturer, or his authorised representative established within the Community, shall issue a Declaration of Conformity relevant to the product(s) listed in this Certificate.

This Certificate loses its validity if the Manufacturer makes any changes or modification to the approved quality system, which have not been notified to, and agreed with the Notified Body named on this Certificate and/or after lapse of time, withdrawal or revocation of the EC type-examination (Module B) Certificate(s).

This Certificate consists of 1 (one) page and 1 (one) Attachment.

This Certificate has been issued in Prato, on **28/02/2022** and remains valid, unless cancelled or revoked until its expiry date of **27/02/2025**.

**Note:** This Module D must be read in conjunction with the Attachment.

Prato, 28/02/2022

The Technical Director

PROPOSED

Dr. Luca Ermini

The Certification Manager

APPROVED

Dr. David Borsini

This Certificate is issued under the Authority of Ministero delle Infrastrutture e dei Trasporti Comando Generale del Corpo delle Capitanerie di Porto according to Decreto Ministeriale 13 September 2016 N° 861/2016.
