REACH AND ROHS COMPLIANCE DECLARATION

We hereby certify that our articles are fully comply with the related requirements of European Union Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) :

1. Under the structure of the REACH regulation, our Company is a manufacturer of “**ARTICLES**” to our EU customers. We do not manufacture “substances” or “preparations” and our articles do not involve the intentional release of substances. There is no registration or preregistration or authorization requirement for the product that we supply.
2. With regard to the requirements of article 33 of REACH: Duty to communicate information on substances in articles. We declare that none of the SVHC (Candidate List of substances of very high concern for Authorisation published in accordance with Article 59 of the REACH Regulation) is present in our article in a concentration equal or above 0,1%
3. A substance, whether on its own, in a mixture, or in an article, that is listed in Annex XVII and subject to use restrictions, must not be placed on the European market or used unless it complies with the conditions of that restriction. With reference to the nickel content restriction (Entry 27 of Annex XVII), for applications involving direct and prolonged contact with the skin, it is necessary to assess the applicability of the restriction based on the alloy composition and the corresponding nickel release.

As REACH regulation is updated frequently, for the major changes afterwards, such as the addition of SVHC substances into Annex XIV, the addition of restricted substances in Annex XVII, our Company will evaluate further revise in time and update the declaration to reflect these changes.

If no new Declaration is submitted, the validity of what is stated in this document is considered to be in conformity.

RoHS Compliance Declaration

We hereby also certify that our products are compliant with all requirement and exemption set by the European Directive 2011/65/EU (RoHS 2) & the European Delegated Directive 2015/863/EU (RoHS 3).
